## Interdigital Bandpass Filter Drawings and Photos

---

---

Photos of a 1296 mhz filter from the Jan. 1985 issue of Ham Radio magazine. You can get the complete article on CDROM from the [ARRL online store](#). See Ham Radio CD-ROM 1984-1990 #8411

A pdf file of photo copies of the article is [here](#). A jpeg image of the original BASIC program is [here](#).
